EXPERIENCE

Woodlookbr
São Paulo - Brazil
2023 - 2024

WoodlookBR specializes in interior design for homes and apartments, offering swift development and a seamless user experience. Using HTML, CSS, JavaScript, and Bootstrap for frontend and Python with Django for backend, it enhances beauty and functionality, empowering users' unique aesthetic choices.

ABOUT ME

As a web developer with over 3 years of experience, I have a passion for website design and development. I am proficient in languages such as HTML, CSS, JavaScript, Python and frameworks like React and Django, enabling me to create modern websites with dynamic features. My experience in various industrial and personal projects has prepared me to tackle new challenges and enhance my skills. I am seeking new opportunities to collaborate with dynamic teams and leverage innovative technologies in inspiring and innovative projects.
